

APPROVED PROGRAMME
2010-11

Course/Project Title	Date	Duration	Location
6727 Fibre Optic Access Networks	28 June 2010	5 Day(s)	Limbe, Cameroon
6732 Internship on Voice over Internet Protocol (VoIP)	05 July 2010	5 Day(s)	South Africa
6907 Frequency Planning and Spectrum Management	05 July 2010	5 Day(s)	Nigeria
6729 Internship in Marketing (exchange program)	05 July 2010	5 Day(s)	South Africa
6730 Internship on ADSL Technology	05 July 2010	5 Day(s)	South Africa
6863 Frequency Planning & Spectrum Management (French)	05 July 2010	5 Day(s)	Cameroon
6868 WCDMA	05 July 2010	5 Day(s)	South Africa
6920 Planning & Deployment of WiMAX Networks	26 July 2010	4 Day(s)	Trinidad and Tobago
6909 IP Networking (including Bandwidth Optimization & Expansion)	26 July 2010	5 Day(s)	Fiji Islands
6830 GSM Technologies (2G, 2.5G, EDGE, GPRS)	02 August 2010	5 Day(s)	Botswana
6731 Internship on CDMA	02 August 2010	15 Day(s)	South Africa
6822 WiMax Planning and RF Engineering	02 August 2010	5 Day(s)	Kenya
6870 IMS Deployment	02 August 2010	5 Day(s)	South Africa
6733 Marketing and Pricing of NGN's	02 August 2010	5 Day(s)	Sierra Leone
6841 Management of Universal Access Fund	09 August 2010	5 Day(s)	Cameroon
6884 Next Generation Network Planning & WiMAX Engineering	16 August 2010	5 Day(s)	Mauritius
6862 Quality of Service Monitoring	23 August 2010	5 Day(s)	Mauritius
6718 Project Management tool for Project Managers	23 August 2010	5 Day(s)	Botswana
6842 Market-Based Spectrum Pricing	30 August 2010	5 Day(s)	Kenya
6761 Licencing, Interconnection and Price Regulation Costing Framework	06 September 2010	5 Day(s)	South Africa
6895 Broadband Technologies and Multimedia Services	06 September 2010	5 Day(s)	Swaziland
6710 CTO Forum 2010	06 September 2010	3 Day(s)	Colombo, Sri Lanka
6890 Talent Management, Knowledge Management and Change in a Dynamic Environment	13 September 2010	5 Day(s)	Kenya
6878 Fiber in the Access Networks	13 September 2010	5 Day(s)	Mauritius
6837 ICT Tools for Management & Planning	20 September 2010	5 Day(s)	Nigeria
6859 Diploma in Telecommunications Management Studies	27 September 2010	42 Day(s)	Ghana
6807 Radio Spectrum Monitoring Techniques and Frequency Planning	27 September 2010	5 Day(s)	Nigeria
6879 NGN / IMS Network Architecture	04 October 2010	5 Day(s)	Mauritius
6858 Consumer Protection	04 October 2010	5 Day(s)	South Africa
6906 Next Generation Network Planning & WiMax Engineering	04 October 2010	5 Day(s)	Botswana

Course/Project Title	Date	Duration	Location
6902 Licensing, Interconnection and Price Regulation, Costing Frameworks under a Converged/Unified Technology and Licensing Environment	04 October 2010	5 Day(s)	Ghana
6871 Next Generation Technologies Market and Pricing	04 October 2010	5 Day(s)	South Africa
6897 Voice over IP and MPLS	11 October 2010	5 Day(s)	Mauritius
6921 Fibre optic access network and principles of multiplexing and radio transmission	11 October 2010	5 Day(s)	Nigeria
6898 Mobile Number Portability	18 October 2010	4 Day(s)	Mauritius
6876 Session Initiation Protocol	25 October 2010	5 Day(s)	Mauritius
6860 Network Security	01 November 2010	5 Day(s)	Swaziland
6769 Diploma in Telecommunications Management	01 November 2010	42 Day(s)	South Africa
6901 Diploma in Telecommunications Management	08 November 2010	42 Day(s)	Fiji Islands
6766 Licensing, Interconnection, Costs & Pricing Regulation Frameworks under a Converged/Unified Technology and Licensing Environment	15 November 2010	5 Day(s)	Mauritius
6722 VoIP & MPLS	15 November 2010	5 Day(s)	Botswana
6705 Annual LO Meeting 2010 - 2011	24 February 2011	2 Day(s)	Nairobi, Kenya
6919 Diploma in Telecommunications Management Asia	25 February 2011	42 Day(s)	India
6700 HR4ICT'11 - Business Continuity Planning: Strategic and Organisational Imperatives in a Global Economy	21 March 2011	3 Day(s)	Nairobi, Kenya

* = Project restricted.

Notes: The above training programme will be implemented under the Programme for Development and Training, a programme of the Commonwealth Telecommunications Organisation. Dates are subject to changes. Participation restrictions may apply. Special funding may be available for members of the Programme for Development and Training; variable participation fees automatically apply for non-member organisations. For further information, please call us +44 20 8600 3800 or e-mail programmes@cto.int.
