## Summary Terms and Conditions

This does not constitute a confirmation of registration. A separate "Registration" form may have to be submitted, and registration fees may apply, in which case actual registration is subject to availability and payment received by the deadline where specified for each course. The CTO will endeavour, as can be reasonably expected, to ensure that the course is delivered to meet delegates' expectations. The above dates may be subject to changes. Travel, accommodation, daily transportation to venue, subsistence and other costs are the sole responsibility of the delegate and are not included in the above fees. Delegates are responsible for their visa arrangements and other formalities wherever required. Course bookings may be cancelled at the discretion of the CTO or its partners. Delegates paying by bank transfer are responsible for bank charges and any other such costs and should ensure the exact amount in GBP Sterling is credited in the CTO bank account, details of which are provided in the Registration form. Delegates requiring additional information prior to their booking should ensure they provide sufficient time before the registration deadline. Cancellation rules apply, as summarised below. For a full version of our Terms and Conditions, please visit our website at [www.cto.int](http://www.cto.int).

In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party/partner. In addition, we may share your information with trusted partners to help us perform statistical analyses, send you periodical updates on our services by e-mail or postal mail, provide customer support, or arrange for deliveries or other such services. All such third parties are prohibited from using your personal information except to provide these services to the CTO and they are required to maintain the confidentiality of your information.
