

# COMMONWEALTH CYBERSECURITY FORUM 2014

5 - 6 MARCH 2014, LONDON, UK

## DAY ONE 05 MARCH 2014

### OPENING CEREMONY 08:30 - 09:15

08.45 **Welcome address**  
**Professor Tim Unwin**, Secretary-General,  
Commonwealth Telecommunications Organisation

09.00 **Ministerial welcome**  
**Luis Alvarez**, Chief Executive Officer, BT Global Services

09.15 **Keynote address**  
**Fadi Chehadé**, President and Chief Executive Officer, The  
Internet Corporation for Assigned Names and Numbers

### 09.30 GROUP PHOTOGRAPH & REFRESHMENTS

### COMMONWEALTH CYBERGOVERNANCE PRINCIPLES 10:15 - 12:15

Session Moderator: **Dr. Martin Koyabe**, Head of Research  
and Consultancy, Commonwealth Telecommunications  
Organisation

10.15 **Official launch: Commonwealth Cybergovernance  
Model**

- Summary of the ICT Ministers Forum
- Outlining Commonwealth Cybersecurity Principles

**Honourable Phillip Paulwell**, Minister, Ministry of Science,  
Technology, Energy and Mining, Jamaica

10.45 **Discussion: Assessing the practicalities of  
implementing Cybergovernance principles - What  
challenges will need to be overcome?**  
**Honourable Joel Kaapanda**, Minister of Information,  
Communication and Technology, Namibia  
**Jamie Saunders**, Director, International Cyber Policy, Foreign  
& Commonwealth Office, United Kingdom  
**Tim Crosland**, Head of Cyber, Prevention and Information  
Law, Serious Organised Crime Agency and Chair,  
Commonwealth Cybercrime Initiative

11.45 **Presentation: The breadth of the cybersecurity capacity  
building challenge**  
**Professor Sadie Creese**, Professor of Cybersecurity,  
Department of Computer Science at the University of Oxford

12.00 **Keynote address**  
**Nigel Hickson**, Vice President Stakeholder Engagement,  
The Internet Corporation for Assigned Names and  
Numbers

### 12.15 NETWORKING LUNCH

\*principles taken from the draft Commonwealth Cybergovernance Model

### ALIGNING PRIVACY, SECURITY AND SAFETY GOALS WITH COMMONWEALTH PRINCIPLES 13:30 - 15:30

*'We ensure freedom of expression and privacy as stated in  
the Charter of the Commonwealth.. Individuals,  
organisations and nations are empowered through their  
access to knowledge' \**

Session moderator: **Richard Simpson**, Haskayne School of  
Business, University of Calgary, Canada

13.30 **Presentation: European Commission cybersecurity  
strategies, policies and legislative proposals**  
**Martin Mühleck**, Project Officer, DG Connect, European  
Commission

14.00 **Presentation: How Facebook balances privacy,  
security and safety**  
**Simon Milner**, Policy Director, EMEA, Facebook

14.30 **Discussion: Privacy and security - Where's the  
balance?**  
**Elise Latify**, Legal Officer, Office of the European Data  
Protection Supervisor  
**Stewart Room**, Partner, Field Fisher Waterhouse LLP  
**Simon Milner**, Policy Director, EMEA, Facebook  
**Mike St. John Green**, Former Deputy Director Cyber Security  
Standards, GCHQ  
**Chris Connolly**, Director, Galexia

### 15.30 AFTERNOON REFRESHMENTS

### CRITICAL INFORMATION INFRASTRUCTURE PROTECTION 16:15 - 17:45

*'We act individually and collectively to tackle  
cybercrime.. Offering stability in the provision of reliable and  
resilient information services' \**

Session Moderator: **David Smart**, Associate Fellow, Cyber  
Security, Royal United Services Institute

16.15 **Presentation: The role of Cybersecurity Practitioners  
(CSPs) in Critical Information Infrastructure Protection**  
**Mark Hughes**, Chief Executive Officer, BT Security

16.35 **Presentation: Cyber terrorism - the rising threat in  
cyber dimension?**  
**Zahri Hj Yunos**, Chief Operating Officer, CyberSecurity  
Malaysia

16.55 **Discussion: Securing Critical Information  
Infrastructure Protection at a national and  
international level**  
**James Saaka**, Executive Director, National Information  
Technology Authority, Uganda  
**Zahri Hj Yunos**, Chief Operating Officer, CyberSecurity  
Malaysia  
**Mark Hughes**, Chief Executive Officer, BT Security  
**David Pollington**, Director of International Security Relations,  
Microsoft

17.40 **Close of Commonwealth Cybersecurity Day One**

17.45 **DRINKS RECEPTION HOSTED BY FACEBOOK**

## DAY TWO 06 MARCH 2014

### DOMAIN NAME SYSTEM AND SECURITY - DNSSEC

09:00 - 11:00

*'We contribute to a safe and effective cyberspace'\**

Moderator: **Martin Jarrold**, Chief of International Programme Development, GVF

09.00 **Presentation: How crucial is Domain Name System (DNS) security in securing the internet?**

**Roy Arends**, Head of Research, Nominet

09.30 **Presentation: Mark Validation System (MVS), an African solution for brand protection online - dotAfrica Top Level Domain (TLD)**

**Koffi Fabrice Djossou**, Africa Liaison, Uniform ZA Central Registry

10.00 **Discussion: How can Commonwealth organisations successfully implement DNSSEC?**

**Koffi Fabrice Djossou**, Africa Liaison, Uniform ZA Central Registry

**Roy Arends**, Head of Research, Nominet

### 11.00 MORNING REFRESHMENTS

### IMPLEMENTING COMPUTER EMERGENCY RESPONSE TEAMS (CERTS) THROUGHOUT THE COMMONWEALTH

11:45 - 13:45

*'Meeting internationally-recognised standards and best practice to deliver security'\**

Moderator: **Martin Jarrold**, Chief of International Programme Development, GVF

11.45 **Presentation: Meeting Internationally Recognised Standards & Best Practice in Security**

**Steve Purser**, Head of Operations Department, European Union Agency for Network Information Security (ENISA)

12.05 **Presentation: e-Government security threats: Pros and cons of Bring Your Own Device (BYOD)**

**Dr. Martin Koyabe**, Head of Research and Consultancy, Commonwealth Telecommunications Organisation

12.25 **Presentation: How can Commonwealth countries successfully implement Computer Emergency Response Teams (CERTs)?**

**Alexander Ntoko**, Chief of Department, Telecommunication Standardization Bureau, International Telecommunication Union

12.45 **Discussion: Understanding the principles of effective responses and how these can enable countries to defend themselves**

**Peter Kahiigi**, Director of Information Security, National Information Technology Authority, Uganda

**Alexander Ntoko**, Chief of Department, Telecommunication Standardization Bureau, International Telecommunication Union

**Cris Seecheran**, Chief Executive Officer, Telecommunications Authority of Trinidad and Tobago

**Francis Wangusi**, Director-General, Communications Commission of Kenya

**Jon Geater**, Chief Technology Officer, Trustonic

### 13.45 NETWORKING LUNCH

### CYBERLAW 14:45 - 16:05

*'We act individually and collectively to tackle cybercrime...'*

Moderator : **Mike St. John Green**, Former Deputy Director Cyber Security Standards, GCHQ

14.45 **Presentation: Cybersecurity legal overview**

- Understanding pillars of cybersecurity law and current reforms
- Connecting cybersecurity and common law
- Are regulatory agendas achieving the right outcome for the development of effective cybersecurity?

**Stewart Room**, Partner, Field Fisher Waterhouse LLP

15.05 **Presentation: Assessing the need for cyberlaw harmonization**

**Cecile Barayre**, Economic Affairs Officer, United Nations Conference on Trade and Development

15.25 **Presentation: Regulating for Information Security**

**Professor Ian Walden**, Professor of Information and Communications Law, Queen Mary University of London

15.45 **Discussion: Discussing the need for Cyberlaw harmonization**

**Stewart Room**, Partner, Field Fisher Waterhouse LLP  
**Cecile Barayre**, Economic Affairs Officer, United Nations Conference on Trade and Development  
**Professor Ian Walden**, Professor of Information and Communications Law, Queen Mary University of London

### CLOSING CEREMONY

16:05 - 16:45

*'Facilitating pan-Commonwealth consultations and international linkages in a single globally connected space with local focus' \**

16.05 **10 Commonwealth Cybersecurity Actions  
What can you action in the next year to achieve a safer cyberspace for all?**

**Professor Tim Unwin**, Secretary-General, Commonwealth Telecommunications Organisation

16.30 **Thank you address**

**Professor Tim Unwin**, Secretary-General, Commonwealth Telecommunications Organisation

16.45 **Close of Commonwealth Cybersecurity Forum 2014**
