COMMONWEALTH HARD TALK FOR ACTION

IGF 2022 Open Forum #16

Connecting All People and Safeguarding Human Rights

CTO's onsite and online session > Thursday 1 December 2022 > 10:45 (UTC+3)

The Commonwealth Telecommunications Organisation (CTO) will be hosting its second Commonwealth Hard Talk for Action discussion forum at the United Nations Global Internet Governance Forum on 1 December 2022 from 10.45–11.45 am (UTC+3). The theme for this onsite and online session is *Connecting All People and Safeguarding Human Rights*.

Please join us for this thought-provoking session. Kindly note that registration is mandatory to participate in the IGF 2022. [Details may be found here.](#)
