OVERVIEW

Digital Week 2024

Building a secure digital future

20–23 May 2024
The Royal Society
London

24 May 2024
Marlborough House
London

www.cto.int

Introduction

In keeping with the Commonwealth Telecommunications Organisation's (CTO) new thrust to support its members' digital transformation aspirations, the CTO will be convening its third Digital Week — in May 2024 in London, United Kingdom.

Digital Week 2024 will bring together CTO's members from across the Commonwealth and stakeholders in the technology sector, for a series of activities designed to assist members in establishing an enabling environment for and effectively adopting information and communication technologies (ICT) for the benefit of all.

The focus for Digital Week 2024 is on cybersecurity, so the theme for the week's activities is: *Building a secure digital future*.

Objectives

The objectives of Digital Week 2024 are as follows:

- ▶ Convene CTO's Executive Committee meeting and 62nd Council
- ▶ Increase cybersecurity consciousness in a digitally transforming world
- ▶ Present the results of the CTO's Digital Transformation project.

Audience

Digital Week 2024 is open to:

- ▶ CTO members
- ▶ Ministers and senior government officials
- ▶ Senior public officials
- ▶ ICT regulators and stakeholders
- ▶ Attorneys general and law enforcement officials
- ▶ Leaders in the ICT industry and international organisations

Date and time

The activities for Digital Week 2024 will be convened from 20–24 May 2024.

Events commence at 9:00am each day.

Venue

The venue for the Digital Week 2024 will be:

20-23 May 2024

The Royal Society
(Wellcome Trust Lecture Hall and
City of London Rooms 1, 2 & 3)
6–9 Carlton House Terrace
London SW1Y 5AG
United Kingdom

24 May 2024

Marlborough House
Pall Mall, London SW1Y 5HX, United Kingdom

Activities scheduled for Digital Week 2024

20 May 2024

Executive Committee

A closed meeting, the CTO Executive Committee will review plans, reports and recommendations for submission to the 62nd Council.

21–23 May 2024

CyberKeys 2024

Open to all registrants CyberKeys 2024 will present the benefits of the technological revolution and demonstrate the destructive aspects of 4th Industrial Revolution (4IR) information and communication technologies (ICT). It will explain the extent of the risks in cyberspace and will instil cybersecurity consciousness by explaining threats in cyberspace.

21–23 May 2024

Demonstrations of ICT solutions for Commonwealth challenges

There will be an exhibition of innovative ICT solutions and cybersecurity tools for CTO members of the judiciary and law enforcement officials.

More information on these events may be found www.cto.int/events

23 May 2024

Presentation of Digital Transformation project results

The CTO will present the results of a research project entitled *Digital Transformation: critical success factors and challenges across the Commonwealth*.

23 May 2024

Outreach to the judiciary and law enforcement officials

There will be a special session for attorneys general and law enforcement officials to discuss ICT solutions and tools for enhancing and strengthening the cybersecurity ecosystem.

23 May 2024

Networking activities

There will be opportunities for members to caucus and networking sessions for all participants.

24 May 2024

62nd Council, Marlborough House SW1

Open to Representatives of Full Member Countries and other CTO members, the 62nd Council will determine the broad policies and strategies of the CTO; examine and approve the CTO's business plans, budget and annual reports.

Online registration

Online pre-registration is mandatory to participate in all events. Registration opens on the 13 March 2024.

Registration fees

Cyberkeys 2024 (21–23 May 2024)

- ▶ £250 CTO members
- ▶ £550 Non-members
